

**Task 1:**

Use the following words to write your own definition of the KOF index.

**Word box:**

2002	dimensions	economic	globalisation
introduced	political	social	index

My definition: .....

.....

.....

.....

**Task 2:**

Which country do you think would come out as the most globalised? Justify your reasons for choosing this country.

.....

.....

.....

.....

**Task 3:**

1. On the blank map plot the KOF data for the following counties. This table can provide you with the KOF data: [www.ethz.ch/content/dam/ethz/special-interest/dual/kof-dam/documents/Globalization/rankings\\_2017.pdf](http://www.ethz.ch/content/dam/ethz/special-interest/dual/kof-dam/documents/Globalization/rankings_2017.pdf)

**Countries to include:**

Ireland	Netherlands	Argentina	Czech Republic	Vietnam
Cyprus	USA	China	Japan	Mexico

2. Ensure that you complete the key.
3. Now choose another five countries (try to cover a range globally) and add these to your map.

**Task 4:**

1. What patterns can you identify from you map?
2. Write a paragraph to describe your map. Can you support your description with any reasons for the patterns you have identified (give any explanations).

.....

.....
